BEYOND DREAMS: INSPIRING JOURNEYS

Growing up in a single-parent household and facing financial struggles after my father passed away, I never imagined higher education could be within reach.

Life was difficult, but I found strength in my hardships and focused on my studies with hopes of one day giving back. My life changed when I discovered the Jeffrey Cheah Foundation Scholarship. I was supported by invaluable career guidance, engaging lecturers, and world-class facilities. This scholarship has not only changed my life but also gave me the opportunity to achieve my ambitions. I am forever grateful for the opportunities Sunway has given me.

I come from a small town in Sandakan, Sabah and grew up in a family constantly struggling with financial difficulties. From the age of 14, I worked part-time jobs to help support my family while balancing my studies. Despite challenges, including depression and the pandemic, I remained determined to pursue higher education. After my SPM results, I knew my only chance was a scholarship.

With this scholarship, it opened doors to a brighter future surrounded by a supportive community, and I'm grateful for this life-changing opportunity. I'm excited for the future ahead!

I am forever grateful for the life-changing scholarship that allowed me to pursue my dreams. Growing up in a charity home, I never imagined higher education would be possible. Thanks to this scholarship, I not only graduated but also helped my siblings do the same. Today, I lead community management at Sttoke and contribute to my family. Education truly transformed my life, and I will always be thankful for the opportunities it has given me.

Being an Orang Asli from Kota Kinabalu, I took my first steps outside my hometown and comfort zone to pursue higher education at Sunway University, a dream I once thought was impossible. Thanks to the Jeffrey Cheah Foundation Community Scholarship, I am now a proud graduate.

Completing my tertiary education is the greatest achievement of my life, and it was made possible by this scholarship. I believe the knowledge that I have learned will open doors that will lead me to the pathway of success that is yet to come. Thank you, Tan Sri Sir Dr Jeffrey Cheah!
